

POISON IVY

Watch Out Guide

A Few Rules:

1. Three leaves – let it be.
2. Pointy tips, let it sit.
3. Berries white, run in fright!
4. Long in the middle, short on the sides

Remember – Poison Ivy looks different spring, summer and fall, and changes everywhere you go!

DO NOT TOUCH ME!

The Poison Ivy specimens below were carefully collected and affixed here to show local poison ivy. NEVER try to handle Ivy yourself!
